

Twelve Ways to Use SalesMail

SalesMail[®]
Powered by HeartLegacy

1 Personal Introductions

Be memorable! Make a face-to-face connection right off the bat.

2 Lead Follow-Ups

Differentiate yourself! Personalized video helps you stand out from competitors.

3 Employee Shout-Outs

Show some love! Send video shout-outs to employees going above and beyond.

4 Testimonials

Easily capture branded videos of customers singing your praises.

5 Virtual Tours

Highlight awesome features and amenities when prospects can't be there in person.

6 Team Communications

Use video to celebrate big company wins, send announcements, and team-build.

7 Out-of-Office Replies

Say goodbye to boring out-of-office emails and step up your game with auto-video replies!

8 Website Autoresponders

Use video to build deeper connections with interested parties right from the start!

9 Thank You Messages

Show off your smile and voice your gratitude with video thank you messages.

10 Nurturing Leads

Stay top-of-mind! Add video messages to your lead nurturing routine for better visibility.

11 Connecting with Referrals

Use video to establish credibility and build strong relationships with referral sources.

12 Delivering Sensitive Info

Delicate situations with clients call for video, the best way to convey tone!
